Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

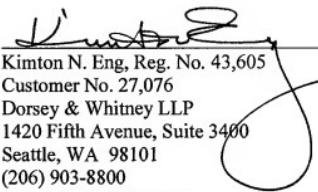

This Terminal Disclaimer is made at the request of Examiner Proctor. Examiner Proctor indicated during a telephone conference that claim 32 remains rejected under obviousness-type double patenting in light claim 1 of U.S. Patent No. 6,654,714. A terminal disclaimer is attached to overcome the Examiner's obviousness-type double patenting rejection of the claims. As a result, all of the claims in the present application are in condition for allowance.

The Commissioner is hereby authorized to charge the fees associated with this communication and any additional fees or credit any overpayment to Deposit Account No. 50-1266.

Respectfully submitted,
